

Prisons in Africa: Imprint, value, justice, reform

■ Wednesday 6 April 2022 ■ 10:00-12:00 CET ■

Invited speakers:

- **Julia Hornberger**
University of Witwatersrand, South Africa
- **Frédéric Le Marcis**
ENS Lyon, France
- **Marie Morelle**
University of Lumière Lyon 2, France

Marie Morelle, Frédéric Le Marcis, and Julia Hornberger edited [Confinement, Punishment and Prisons in Africa](#) (Routledge, 2021). Winding up with the rhetoric of exceptionalism, they present a nuanced critique of the prison experience in diverse detention facilities across Africa. What makes their work so intriguing are the comparisons they were able to draw across a wide range of case studies and research approaches.
