

Manifest for a politics of rhythm

▪ Friday 17 December 2021 ▪ 10am to 12pm CET ▪

Invited speakers:

- **Guillaume Drevon**
Luxembourg Institute of Socio-Economic Research
- **Vincent Kaufmann**
Ecole Polytechnique Fédérale de Lausanne
- **Luca Pattaroni**
Ecole Polytechnique Fédérale de Lausanne

In this first seminar in the 'Explorations' series, we will hear from a group of sociologists and philosophers working on space and mobility. They propose to bring rhythm into debates on spatial and social practices. We will introduce them to carceral research on this topic and will hear about wider discussions and deep reflections on how 'rhythm' might offer a new lens for the carceral sphere and beyond.

Free online event. Please register at:
